

**SOUTHWEST MICHIGAN COMMUNITY ACTION AGENCY
WEATHERIZATION ASSISTANCE AGENCY
MECHANICAL CONTRACTOR REQUEST FOR PROPOSAL**

**SMCAA IS SEEKING BIDS FROM LICENSED HVAC CONTRACTORS
SMCAA is accepting inquiries regarding the Mechanical Request for Prices
to complete mechanical work on residential home through the Department
of Energy's Weatherization Program**

Southwest Michigan Community Action Agency, Inc. is currently seeking Licensed and Insured mechanical contractors to perform work for our Weatherization Assistance Program using Department Of Energy and LIHEAP funding.

We are currently accepting Requests for Proposals (RFP) from qualified Mechanical/HVAC contractors to bid on ***Weatherization Assistance Program*** projects.

Contractors in this program will provide the material and labor to perform:

- Heating system clean and tunes, repairs/replacements
- DHW repairs, and replacements
- Flue gas analyzer testing
- Worse case draft and spillage testing
- Installation of ASHRAE fan other measures to meet ASHRAE standards
- And other approved Department of Energy measures related to HVAC

Must possess an HVAC license through the State of Michigan and be insured

Previous Weatherization experience welcome!

To Requests for Proposal Packets may be obtained by calling (269) 925-9077 ext. 867.

All inquiries are Welcome Monday through Thursday, 8:30 a.m. & 4:00 p.m. or by email at sklank@smcaa.com

We appreciate your interest in the weatherization program!
